

One idea. Five prompt directions.

Five actual text outputs from NFNTY Prompt Forge. One subject, five compositions. These are prompt drafts, not generated pictures.

Try it

Copy one prompt into your chosen image-generation platform, review the result and adjust it. Platform access and any generation charges are separate. Results vary by tool and settings.

The inputs

Handmade ceramic tea cup / calm morning kitchen / Editorial photograph / Image / ChatGPT / 1:1

01 / Wide establishing view

Editorial photograph of handmade ceramic tea cup, calm morning kitchen. Composition: wide establishing view; soft window light. Cohesive colors, intentional negative space, clear focal point. Aspect ratio 1:1. Exclude logos, watermarks, unreadable text.

Editorial photograph of handmade ceramic tea cup, calm morning kitchen. Composition: close detail; soft window light. Cohesive colors, intentional negative space, clear focal point. Aspect ratio 1:1. Exclude logos, watermarks, unreadable text.

One idea. Five prompt directions.

04 / Top-down flat lay

Editorial photograph of handmade ceramic tea cup, calm morning kitchen. Composition: top-down flat lay; soft window light. Cohesive colors, intentional negative space, clear focal point. Aspect ratio 1:1. Exclude logos, watermarks, unreadable text.

05 / Low-angle hero view

Editorial photograph of handmade ceramic tea cup, calm morning kitchen. Composition: low-angle hero view; soft window light. Cohesive colors, intentional negative space, clear focal point. Aspect ratio 1:1. Exclude logos, watermarks, unreadable text.

Make it your own

Change the subject or setting and compare the results. The full offline app builds 25 editable drafts per batch and exports TXT or CSV. It uses local templates; image and video generation happens in a separate platform.

Sample use

Free sample: personal, noncommercial evaluation only. Do not resell or redistribute the sample as a prompt pack. Business or client use requires the applicable commercial license. Generated media remains subject to your chosen platform terms and third-party rights.
